THIS REMEDY IS THE SOLE AND EXCLUSIVE REMEDY AVAILABLE. MENTOR SHALL NOT BE LIABLE FOR ANY INCIDENTAL, INDIRECT, CONSEQUENTIAL OR SPECIAL LOSS, DAMAGE, OR EXPENSE ARISING DIRECTLY OR INDIRECTLY FROM THE USE OF THESE PRODUCTS. MENTOR NEITHER ASSUMES, NOR AUTHORIZES ANY OTHER PERSON TO ASSUME FOR IT, ANY OTHER OR ADDITIONAL LIABILITY OR RESPONSIBILITY IN CONNECTION WITH THESE PRODUCTS.

In the event that the explanted product is not returned to the MENTOR Product Evaluation Department within 60 days of its explantation, the ordering customer will be invoiced for the price of the replacement product. Qualifying replacement product will be sent without shipping charges if the order is received in the MENTOR Product Evaluation Department at least three business days prior to scheduled delivery date; otherwise, freight charges will be invoiced to the ordering customer. At the surgeon's request, MENTOR will also provide a replacement of a MENTOR Saline-Filled or Silicone-Filled Breast Implant to use to replace the contralateral implant, provided that the contralateral breast implant is a MENTOR product. There will be no charge for this courtesy except as outlined above. MENTOR will neither provide nor pay for a replacement with a non-MENTOR product under the terms of this Product Replacement Policy, nor in any event provide money for or in lieu of a MENTOR replacement product. Any replacement MENTOR Saline-Filled or Silicone-Filled Breast Implant described in paragraph four of this document automatically includes a new MENTOR Standard Advantage Limited Warranty covering the replacement implant only.

Limitation on the MENTOR Product Replacement Policy: If MENTOR Corporation's obligation to provide a replacement product under either the MENTOR Standard or Enhanced Advantage Limited Warranty is prevented, restricted, or interfered with by reason of fire, flood, earthquake, explosion, or other casualty or accident, strikes or labor disputes, inability to procure supplies or power, war or other violence, any law, order, proclamation, regulation, ordinance, demand, or requirement of any government agency, or any other act or condition whatsoever beyond the reasonable control of MENTOR, the performance of that obligation shall be excused without penalty. For purposes of this provision, excuse of performance shall mean that MENTOR is neither obligated to provide nor pay for a replacement product, regardless of the product's source. Despite the excuse of MENTOR's obligation to provide a replacement product under this provision, MENTOR shall continue to perform its obligation to provide financial assistance for operating room, anesthesia, and surgical fee costs to the extent described under the MENTOR Standard and Enhanced Advantage Limited Warranties.

- 2. The MENTOR Standard Advantage Limited Warranty:** When a qualifying replacement surgery occurs within ten years from the date of implantation, MENTOR will pay uninsured out-of-pocket costs for operating room, anesthesia and/or surgical expenses directly related to revision

surgery up to a maximum aggregate amount of \$1,200. Operating room and anesthesia charges to be given payment priority. In order to qualify for financial assistance, you will need to sign a release form. Upon submission of a qualifying request, MENTOR will provide a general Release in favor of MENTOR Corporation, and other related entities. MENTOR will not pay for any reoperative expenses until receipt of the Release signed by the patient. In addition, MENTOR requires a copy of bills or receipts associated with the revision surgery before payment will be made. Other documentation, such as operative notes, may be required prior to payment. Request for financial assistance under the MENTOR Standard Advantage Limited Warranty must be made to the Consumer Affairs Department by or on behalf of patient within 6 months of the date of qualifying revision surgery.

- 3. The MENTOR Enhanced Advantage Limited Warranty:** When a qualifying revision surgery occurs within ten years from the date of implantation, MENTOR will pay uninsured out-of-pocket costs for operating room, anesthesia and/or surgical expenses directly related to revision surgery up to a maximum aggregate amount of \$2,400. This amount is in lieu of, and not in addition to, any amounts otherwise payable under the MENTOR Standard Advantage Limited Warranty. Operating room and anesthesia charges to be given payment priority. In order to qualify for financial assistance, you will need to sign a release form. Upon submission of a qualifying request for financial assistance, MENTOR will provide a general Release in favor of MENTOR Corporation, and other related entities. MENTOR will not pay for any reoperative expenses until receipt of the Release signed by the patient. In addition, MENTOR requires a copy of bills or receipts associated with the revision surgery before payment will be made. Other documentation, such as operative notes, may be required prior to payment. Request for financial assistance under the MENTOR Enhanced Advantage Limited Warranty must be made to the Consumer Affairs Department by or on behalf of the patient within 6 months of the date of qualifying revision surgery. MENTOR's obligations under the MENTOR Enhanced Advantage Limited Warranty are complete upon full or partial payment of the financial assistance outlined in Section B.3 of this document. For the qualifying replacement implant to be eligible for the MENTOR Enhanced Advantage Limited Warranty, an additional payment of \$100 is required. When a patient undergoes a unilateral breast implant replacement, and the MENTOR Enhanced Advantage Limited Warranty is purchased for the qualifying replacement implant, the terms of the original MENTOR Enhanced Advantage Limited Warranty will automatically continue to apply to the contralateral implant (not replaced) for the remainder of the ten years still available under its original term. This is contingent upon the contralateral implant qualifying under the terms of the MENTOR Enhanced Advantage Limited Warranty. Under no circumstances will the MENTOR Enhanced Advantage Limited Warranty continue for more than ten years from the actual date of implantation for any individual implant. When MENTOR has made payment for a unilateral replacement under the terms of the MENTOR Enhanced Advantage Limited Warranty, and the patient does not elect to purchase the MENTOR Enhanced Advantage Limited Warranty for the replacement implant, the assistance available for the contralateral implant (not replaced) is limited to any assistance that may still be remaining under the terms of the original MENTOR Standard Advantage Limited Warranty. The assistance available under the terms of the MENTOR Enhanced Advantage Limited Warranty and the MENTOR Standard Advantage Limited Warranty is not cumulative. Payment made under the MENTOR Enhanced Advantage Limited Warranty completes any obligations of MENTOR still remaining under the MENTOR Standard Advantage Limited Warranty, and vice versa. The MENTOR Enhanced Advantage Limited Warranty is not transferable except as follows: In the event of product replacement for an event ineligible for

assistance under the terms of the MENTOR Enhanced Advantage Limited Warranty, any remainder of the ten years available under the MENTOR Enhanced Advantage Limited Warranty will transfer to the replacement implant if the replacement implant is described in paragraph four of this document.
